January 2026

---

Greetings from the Pastor. Welcome to 2026. Another year that you and I have the privilege of being part of. 2025 was a good year for our church and we pray for a good 2026. Thanks to everyone who helped make that possible. The Christmas season brought the passing of Pastor Donnie Humprey. The beloved pastor of River of Life Church in Piney Flats. Donnie was loved by his church and the people of this community. Donnie had been the minister at River of Life, a church start he was responsible for the past 35 years. As I stood on the hillside at Monte Vista Cemetery in Johnson City waiting for the graveside to begin and the wind gusting at 25-30 MPH, I had the opportunity to talk with some of the large crowd of people. One man told me how Jesus had delivered him from drugs and jail. He went to say Donnie had been a big part of bringing him to Christ. This man was now an Evangelist and Donnie still took time to come listen to him preach and support his ministry. Donnie was also chaplain in the Watauga Fire Dept. and the Johnson City Police Dept. There was also a young man who stood shivering in short sleeves. He told me that he had just recently moved to the area and had joined the Watauga Fire Det. He told us Donnie has made him feel welcome and been a mentor to him. I asked him about his coat, and he said it was in the car. The only I have with me is my fire coat from his fire gear. He didn't think it would be appropriate at the graveside. I looked at him and said I'm sure Donnie wouldn't mind. He agreed and went and got his coat. I thought to myself this hillside is filled with stories of Donnie's ministry. What a way to be remembered. Our prayers go out to Sharon, this dear family, and the people of River of Life Church. MAY GOD BLESS EACH OF YOU.

PASTOR ESTEL

New Year, new you! I rarely make a New Year's resolution and when I do it is usually at the last minute (or even during the first week of January). I get the reason so many make one and they are fun. I've seen friends commit to a gym membership and promise to encourage one another all year to achieve their goals. That sounds amazing – except the running on a treadmill part. I am intrigued by those who commit to learning a new skill or hobby – especially those who dare to dream big and commit to a new one each month (they are such beautiful over-achievers!).

One year I committed to read the entire Bible start to finish - Genesis to Revelation. I didn't think I would ever get through Numbers – shew! And then I found myself doing it again the next year. And the next. And now I cannot imagine starting my year any other way. Even though the book of Numbers still slows me down! What amazes, every time, is that each reading of the Scriptures unveils something new for me to learn! Small nuggets of wisdom or bigger connections that link different parts of the Bible together – there's always something new to learn.

Whatever it is that you resolve to do in 2026 – I pray that God will give you a deep curiosity about His Word. If you do, let me know. I would love to celebrate with you as you complete your read through and maybe grab a cup of coffee to talk about the incredible stories of God's love, faithfulness, and amazing grace together.

It may be a New Year and we may seek a new "you/me/us" – but isn't it great that we have the same God! Same yesterday, today, and tomorrow!

Happy New Year!

Pastor Suzanne
